Sir,

I have the honor to forward herewith duly verified the proposition statement in duplicate relating to the office of the Registrar of Joint Stock Companies together with a copy of letter No.362 dated 25/26th July 1921 addressed to me by the Registrar.

2. The extra cost involved by the proposition according to the statement is Rs. ~~31 1/3~~ 31 1/3 per mensem or Rs.376/- per annum which is Rs.118/- more than the allotment given to this department. The pay of the Head Clerk is proposed to be a progressive one on Rs.50-5-100. But the cost of the appointment is taken at Rs.70/- being the pay now being drawn under the head "present scale" and at Rs.75/- in the proposed scale instead of adopting the cost of the progressive pay of Rs.50-5-100 which is Rs.83 1/3 and thereby points out in his letter a saving of Rs.30/-. In calculating the cost of progressive appointments, it is the average cost that has to be taken and not the pay that is being drawn by the incumbent at the time of sending the proposition statement.

I have the honor to be,
Sir,
Your most obedient servant,

Offg: Comptroller.

.....

With reference to your letter No.1578/Books dated 22nd/24th June 1921 intimating that a grant of Rs258/- is available during this year for giving suitable increase of pay to the establishment of this office, I have the honor to forward herewith in duplicate a statement of proposition showing the present and proposed scales etc., of this office. I have to state, in this connection, that the place of the Head Clerk is a very responsible place, in as much as it requires a qualified man thoroughly conversant with the Mysore Companies Regulation. He should also be in charge of the cash of this office. As I consider the post to be similar to that of a I Division Clerk in the General and Revenue Secretariat, I propose that a grade of Rs50-5-100 which is quite reasonable may be fixed for the post. As for the actual cost for this year, it will be only Rs1,884, i.e., less than Rs30— what is allotted to this office.
